PAZIJA - FORAGING HANDBOOK

Promotion and tasting

Author: Katija Živković
Participating: Nora Mojaš - Linear studio,
Jadranka Ničetić, Ernest Vierda - Boorsa
by EV, Željka Janjanin - Saplun Dubrovnik

Pazija is a mixture of wild, edible plants. It grows everywhere but is most diverse in the coastal regions. It is most commonly cooked in boiling water with a few potatoes, drizzled with olive oil, but it can be prepared in many various ways, both raw and cooked. The author has woven all the valuable knowledge and memories into this handbook, passed down to her by her grandmother. This will be the opportunity to purchase the printed edition of the handbook at a promotional price of 25€, as well as get familiar with the entire “*Pazija*” project that will be presented at the event. The goal of the whole project is popularizing this almost forgotten tradition of Dubrovnik region.

VEČERA S MICHELIN CHEFOM IGOR JAGODIC

Igor Jagodic poznat je kao skroman, pomalo suzdržan i chef "od malo riječi", pa su njegova postignuća tim veća: Michelinova zvjezdica, 4 Gault & Millau kuharske kape sa 17/20 bodova, Falstaffove 3 vilice sa 94/100 bodova, a od ove godine i suvlasništvo nad Restoranom Strelec koji već slavi deset obljetnicu. Chef Jagodic kuha ono što voli, prati trendove, ali se njima ne opterećuje. Priprema jela koja se sastoje od mnogo komponenti, ali uvijek od samo jednog ili dva sastojka. Naglasak je na sezonskim jelima i svježim namirnicama. Uz sve navedeno, svoje bogato znanje i iskustvo, već deset godina prenosi učenicima srednje Ugostiteljsko-turističke škole u Ljubljani.

DINNER WITH MICHELIN CHEF IGOR JAGODIC

Igor Jagodic is known as a humble, somewhat reserved chef, a man of few words, making his achievements all the more remarkable: a Michelin star, 4 Gault & Millau chef's hats with a score of 17/20, 3 Falstaff forks with a score of 94/100, and as of this year, co-ownership of the Strelec Restaurant, which is already celebrating its tenth anniversary. Chef Jagodic cooks what he loves, follows trends, but is not weighed down by them. He prepares dishes that consist of many components but always with just one or two ingredients. The emphasis is on seasonal dishes and fresh ingredients. In addition to all of this, for the past ten years, he has been passing on his rich knowledge and experience to students at the Secondary School of Catering and Tourism in Ljubljana.

PRIMORSKI KROKANT

Radionica
Voditeljica: Nina Smokvina

Primorski krokant izrađuje se od mjendula i šećera, koji se zajedno prže na laganoj vatri dok ne dobiju zlatnožutu boju. Nakon toga se ulijeva u kalup ili se namašćenim nožem brzo izrađuju razni oblici. Međutim, svaka domaćica koja se jednom upustila u izradu krokanta zna da to nije nimalo jednostavno. Potrebna je brzina, vještina, znanje, a nadasve iskustvo. Krokant se u Dubrovačkom primorju tradicionalno pripremao za svadbe. Na ovoj Dešinoj radionici možete naučiti kako napraviti i oblikovati krokant te poslušajte priču o lomljenju krokanta koji je simbolizirao sreću i plodnost.

The brittle is made from almonds and sugar, which are roasted together over low heat until they turn golden yellow. Afterward, it is poured into moulds or various shapes are quickly formed using a greased knife. However, any housewife who has once ventured into making brittle knows that it is not at all easy. It requires speed, skill, knowledge, and above all, experience. In the Dubrovnik coastal region, brittle was traditionally prepared for weddings. Funk je mješavina soula, jazza i R&B koja je utjecala na mnoge popularne glazbenike te je ugrađena u njihovu glazbu. Jedna od najznačajnijih obilježja funk glazbe je uloga bas gitare koja je prije funka bila rijetko istaknuta u popularnoj glazbi. Drugi vikend Good Food Festivala uživajte u funky glazbi, funky hrani i pivu koje će za vas pripremiti Dubrovačka pivovara.

FUNKY WEEKEND AT DBC

Funky Beer & Food + Funky Music

Funk is a blend of soul, jazz, and R&B that has influenced many popular musicians and is integrated into their music. One of the most significant features of funk music is the role of the bass guitar, which was rarely prominent in popular music before funk. During the second weekend of the Good Food Festival, enjoy funky music, funky food, and beer prepared for you by the Dubrovnik Brewery.
