Dubrovački suveniri

Oduvijek su ljudi sa svojih putovanja donosili sitnice, posebne darove koji će ih podsjećati na putovanja i kao znak pažnje svojim najmilijima. Najinteresantniji među suvenirima su oni tradicionalni, izrađeni rukom obrtnika ili umjetnika. Međutim Dubrovnik nudi i modernije unikatne predmete, proizvode dizajnerske i umjetničke mašte. Zavirite u dubrovačke ulice, pronađite jedinstvene male trgovine i odnesite sa sobom dio Dubrovnika!

Dubrovnik souvenirs

People have always brought back small tokens from their travels – special gifts that will remind them of their trip and as a token of appreciation for their loved ones. The most interesting souvenirs are those that are traditional, hand-made by an artisan or artist. However, Dubrovnik also offers more modern crafted items, products of designers' and artists' imaginations. Take a look through the streets of Dubrovnik, find the small, unique shops, and take a part of Dubrovnik home with you!

Sveti Vlaho

Festa sv. Vlaha, sveca zaštitnika Grada Dubrovnika, slavi se 3. veljače još od davne 972. godine, a dio je UNESCO-ve nematerijalne kulturne baštine od 2009. godine. Njegov lik ćete pronaći na starim dokumentima, slikama, novcu, na dubrovačkim tvrđavama i na svim ulazima u Grad.
Dubrovački zlatari, umjetnici i obrtnici njegov lik su utkali u nakit, razne predmete od stakla, skulpture od kamena, mesinga, drva, a čest je motiv i dubrovačkim slikarima.

Saint Blaise

The Festivity of St. Blaise, the patron saint of the City of Dubrovnik, has been celebrated on the 3rd of February since the year 972 and has been part of UNESCO's intangible cultural heritage since 2009. St. Blaise's image can be found on old documents, pictures, coins, on Dubrovnik fortresses, and at all entrances to the city. Dubrovnik jewellers, artists, and craftsmen have engrained his image onto jewellery, various items made of glass, sculptures made of stone, brass, and wood, and he is often a theme of many Dubrovnik painters.

Tradicionalni dubrovački nakit

Zlatarski zanat u Dubrovniku spada među najstarije. Zlatarsko umijeće u našemu Gradu njeguje se još od srednjega vijeka. Dubrovački majstori zlatari u svojim radionicama još uvijek izrađuju vrijedan dubrovački tradicionalni nakit starinskim metodama.
Filigransko srebro, zlatni i koraljni nakit očaravaju svojom bezvremenskom ljepotom, izradom i dizajnom koji pristaje uz sve modne stilove.

Traditional Dubrovnik jewellery

In Dubrovnik, the goldsmith trade in is one of the oldest. Goldsmiths' creations have been nurtured in our City since the Middle Ages. Using olden methods, Dubrovnik's goldsmiths still produce valuable traditional Dubrovnik jewellery in their workshops. Filigree silver, gold, and coral jewellery mesmerizes with its timeless beauty, workmanship, and design that goes along with all styles of fashion.

Dubrovačke delicije

U dubrovačkim delicijama, tradicionalnim slasticama i pićima, utkane su stare vještine i recepture naših nona. Ponesite sa sobom arancine od dubrovačkih ljutih naranača, limuncine, bruštulane mjendule, kontonjatu – slatko od dunja, mantalu – slatko od grožđa, suhe smokve, maslinovo ulje, vina, likere od voća i ruža i rakije s mirisnim travama.
Poklonite dragoj osobi mirise i okuse Dubrovnika!

Dubrovnik delicacies

The old skills and recipes of our grandmothers are woven into the delicacies of Dubrovnik's traditional sweets and drinks. Take delicacies like arancini (candied rinds) of local bitter oranges, limuncini (candied lemon rinds), caramelised almonds, kontonjata (quince cheese), mantala (must cheese), dried figs, olive oil, wine, liqueurs made from fruit and roses, and brandy with aromatic herbs home with you.
Give someone special the gift of the scents and flavours of Dubrovnik!

Jedinstvena prirodna kozmetika

Posjetite Franjevačku apoteku, jednu od najstarijih u Europi, koja još uvijek po izvornim recepturama starim preko 200 godina priprema i nudi kozmetičke preparate s uljem ruža, badema, lavande...
Potražite u dubrovačkim suvenirnicama kreme i eterična ulja od smilja, limuna, meda te ručno rađene sapune od kozjeg mlijeka, maslinovog i bademovog ulja koji u sebi kriju bogate mirise Jadrana.

Unique natural cosmetics

Visit the Franciscan pharmacy, one of the oldest in Europe, which still produces cosmetics made from rose oil, almonds, and lavender according to original recipes that are over 200 years old.
Look for creams and essential oils made from immortelle, lemon, and honey and handmade soaps made from goat's milk, olive, and almond oil that hide the rich scents of the Adriatic in Dubrovnik's souvenir shops.

Konavoski vez

Konavoski vez je osnovni dekorativni element narodne nošnje Konavala, dijela dubrovačke regije. Originalno je vezen svilenim koncem koji se proizvodio u svakoj konavoskoj kući i bojao prirodnim bojama. Oznake za knjige, stolnjaci, jastučnice, torbice... obogaćene strogim geometrijskim motivima i karakterističnim bojama konavoskog veza bit će lijepa i originalna uspomena na Dubrovnik koja će dugo krasit vaš dom.

Konavle Embroidery

Konavle embroidery is the main decorative element of the national costume of Konavle, a part of the Dubrovnik region. Originally, the embroidery was made with silk thread that was produced by each household in Konavle and that was dyed with natural colours. Bookmarks, tablecloths, pillowcases, handbags, all embellished with strict the geometric motifs and characteristic colours of Konavle embroidery, each will make for a beautiful and original memento from Dubrovnik that will decorate your home for a long time to come.

Suveniri od kamena

Dubrovnik je sazdan od kamena i svjetla, a njegove kamene građevine i zidine obogaćene su kamenom plastikom, skulpturama, ornamentima i natpisima zapisanim u kamenu.
Nakit od kamena, mala kamena raspela i skulpture zaštitnika Grada, minijature maskerona koji krasi vrata Kneževog dvora i Crkvu sv. Vlaha, kameni mužari i posudice ukrašene hrvatskim pleterom samo su neki od kamenih suvenira Dubrovnika u kojima je uhvaćen tračak dubrovačkog sunca.

Souvenirs made from Stone

Dubrovnik is made of stone and light, and its stone buildings and walls are embellished with stone carvings, sculptures, ornaments, and inscriptions written in stone.
Jewellery made of stone, small stone crucifixes, statues of the patron saint of the city, miniatures of the masks that adorn the doors of Rector's Palace and the Church of St. Blaise, and stone mortars and bowls decorated with the Croatian wattle are just some of the stone souvenirs that catch the glimmer of the Dubrovnik sun.

Dizajnerski i unikatni predmeti

Oslikani predmeti, kipovi, predmeti od stakla, keramike, tkanine...samo su neki od unikatnih suvenira u koje je pretočena vještina i talent umjetnika i dizajnera. Potražite jedinstvene, originalne male dubrovačke trgovine koje će vas očarati i u kojima ćete sigurno pronaći poseban poklon iz Dubrovnika.

Designer and craftwork items

Painted objects, statues, glassware, ceramics, and fabrics – these are just some of the uniquely crafted souvenirs that artists and designers pour their skills and talents into. Look for small, unique, and original Dubrovnik shops that will enchant you and where you will find a special gift from Dubrovnik.

Čokolada

I Dubrovnik u svojim suvenirnicama krije slatke čokoladne poklone, pažljivo umotane i obogaćene posebnim aromama i sastojcima.
Kušajte hrvatske konditorske proizvode! Kvaliteta sastojaka, punina okusa i dizajn čine naše bonboniere originalnim slatkim poklonom.

Chocolate

Dubrovnik souvenir shops also hide sweet chocolate gifts, carefully wrapped and enriched with special flavours and ingredients.
Try Croatian confectionery products – the quality of the ingredients, the fullness of flavours, and the design make our original candies very sweet gifts.

Kravata

Jeste li znali da kravata potječe od Hrvata? Kravata je bila dio tradicionalne odore Hrvata iz 17. stoljeća. Izrađivala se od grubljeg platna za obične vojnike, a one svilene, vezane na karakterističan način, krasile su vratove časnika. Kravate iznimne kvalitete i dizajna, nadahnutog tipičnim hrvatskim motivima, pronaći ćete u specijaliziranim trgovinama.

Ties (Cravats)

Did you know that the cravat originates from the Croats? The cravat, or tie, was part of the traditional uniforms of Croats from the 17th century. They were made of coarse cloth for ordinary soldiers, while those made of silk and tied in a characteristic manner adorned the necks officers. Ties of exceptional quality and design, inspired by typical Croatian motifs, can be found in specialty shops.

Knjige

Knjiga čije stranice kriju prekrasne fotografije Dubrovnika, njegove boje, ljepote, priče, legende i tradicionalne recepte sigurno je uvijek najljepši poklon s kojim ne možete pogriješiti. Brojna izdanja mogu se naći prevedena na različite strane jezike, a osim knjiga šarmantne dubrovačke knjižare nude i suvenire.

Books

Books, whose pages contain gorgeous photos of Dubrovnik, its colours, beauty, stories, legends, and traditional recipes, are always beautiful gifts that you cannot miss with. Many editions can be found translated into various foreign languages and Dubrovnik's charming bookstores also hold various souvenirs besides books, so look for them!
